Chapter 4

Reports

Report Categories

The reports in Purchase Management may be grouped into five categories:

- Actions.
- Status.
- Analysis.
- Audits.
- File Lists.

This section details the procedures which provide the applications reports.

New Orders (Audit Prior To Release)

1/STPMR

This report details all new orders entered since the last time this report was produced. No receipts can be entered against an order, unless the order has been included on this report.

Frequency

As required, but should be run at least on a daily basis.

Stationery

Standard listing paper.

Print Positions

132.

New Page

Change of supplier.

Overflow.

Totals

Values are totalled at the following levels:

- Line.
- Order.
- Supplier.
- Company.

Press **F8** to submit the report to batch.

Order Pre Print

2/STPMR

This option prints all orders eligible for printing, and may be used to check orders prior to printing on special forms. Details of the order are printed in a similar format to the order print.

Frequency

As required.

Stationery

Standard listing paper.

Print Positions

132.

New Page

Change of order.

Overflow.

Press **F8** to submit the report to batch.

Selection

Only orders to which Option 1 (Yes) was taken to the print orders prompt when completing orders are printed.

Print Orders

3/STPMR

This option prints all orders eligible for printing, on special purchase order forms.

Frequency

As required.

Stationery

Purchase order forms.

Print Positions

132.

New Page

Change of order.

Overflow.

Press **F8** to submit the report to batch.

Selection

Only orders to which Option 1 (Yes) was taken to the print orders prompt on completing orders are printed.

Note: If the order is being re-printed, a message is printed to that effect.

Print GRNs

4/STPMR

This procedure prints Goods Receipt Notes for all receipts made since this option was last invoked.

Frequency

As required.

Stationery

Goods Receipt Note Forms.

Print Positions

132.

New Page

Change of GRN.

Overflow.

Press **F8** to submit the report to batch.

Order Amendment Audit

5/STPMR

This list provides an Audit Trail of amendments made to orders, giving before and after images.

Frequency

As required.

Stationery

Standard listing paper.

Print Positions

132.

New Page

Overflow.

Totals

None.

Press **F8** to submit the report to batch.

Deliveries Due

1... 6/STPMR **2...**

This report details deliveries due within a range of due dates. It is intended as an aid to stockroom management and resource planning, but may also be used as an overdue orders report.

Frequency

As required.

Stationery

Standard listing paper.

Print positions

132.

New Page

Change of Due Date.

Overflow.

Totals

The number and value of deliveries.

- By due date.

- By company.

PM022	ST - JBA System Test Company	User GBJBARW2	30/10/95
			13:14:08
Deliveries Due Report			
Enter Warehouse I.D.	__	(Leave Blank For ALL Warehouses)	
Delivery Dates	From ____	To ____	
Product Level	1	(1=Summary, 2=Detail)	
F3=Exit F4=Prompt			
09-35	SP	MM	KS IM II KENB20A PET178S2

Fields:

Warehouse ID

Enter a valid Stockroom Code, or select one from a prompted list. This restricts the report to deliveries for this stockroom only. Leave blank to select all stockrooms.

Delivery Date From/To

Enter a range of due dates - only deliveries due within these dates (inclusively) will be selected.

The To Date is mandatory. If the From Date is left blank, it defaults to current date.

Product Level

Enter the level of report required.

1- Summary.

2 - Detail.

The report is submitted on pressing **Enter**, if validation is completed successfully.

Order Confirmation Report

7/STPMR

This list provides confirmation of orders.

Frequency

As required.
